Date:
November 2017

Description:
ARB Commercial Bar

Application:
Isuzu Dmax MY17 4WD and
High Ride 2WD

Part No. & Barcode:
3448540 - 9332018047496

Product Group:
015 – Commercial Bull Bars

Fitting:
5 Hours

Availability Date:
Available to order

---

Product Specification

Design and Development:

The Isuzu Dmax has traditionally been a popular vehicle for fleet and commercial use. With the recent release of the new Isuzu Dmax, ARB’s engineers have designed and developed a Commercial winch bar to suit 4WD and High Ride 2WD model Isuzu Dmax’s.

ARB’s mounting system developed for the 2012 on model Dmax have largely been retained. The added chassis reinforcing and attachment to the vehicle chassis provide a mounting platform that is both airbag compatible and capable of withstanding winch loads up to 10,000lbs, both angled and in-line with the vehicle.

Summit Bar and Summit front rail section to suit the Dmax are in final stages of design and development. Full Product Information will be advised in a separate Product Information Bulletin.
Protection and Styling Characteristics:

- Durable steel construction for maximum protection.
- 60.3mm outer tube and 76.1mm centre tube.
- Engineered, air bag compatible mounting system secures to the chassis via high tensile bolts.
- Bumper cut designed to be done with bumper still on the vehicle saving fitting time.
- Split pan design for maximum strength and airflow.
- Extensive protection panels on centre and either side.
- Combination style bar to suit both winch and non-winch applications.
- Twin Hi-Lift jack points
- Includes ARB LED Indicator and Clearance light.
- Two aerial brackets located on the top of the centre tube.
- Will accommodate Warn, Magnum, Bushranger, Smittybilt low mount model electric winches up to 10,000lb. Separate winch installation kit/s are required.
- Provision to accommodate ARB Intensity AR21, AR32, AR40 Light Bar and a range of Bushranger and IPF lights.
- Provision for optional ARB Fog light kit part no 6821201.
- Bar adds approximately 186mm to the overall length of the vehicle.
- Approximate weight of the bar, chassis mounts and fitting kit is 73kg. Approximately 6kg is removed from the vehicle for fitment of the bar.
- Finished in satin black powder coat.

Fog Lights & LED Clearance Light / Turn Signals:

ARB’s traditional fog light and indicator surround is used on the Commercial Bar for the Dmax and incorporates ARB’s designed and developed LED Clearance / Turn signal light.

ARB’S 55W fog light, PN 6821201, is optional fitment to the ARB Commercial bar.

ARB Auxiliary Fog Light Loom PN 3500440 is required if fitting the ARB Fog Light option.
Antenna Mounts:

Two aerial mounts are welded to the centre cross tube to allow fitment of UHF/AM radio, mobile phone aerials/antennas or sand flags.

Driving Light Mounts:

The top pan includes laser cut holes for fitment of a range of compatible driving lights including ARB Intensity AR21, AR32, AR40 Light Bar, Bushranger and IPF 800, 808 and 900 Series lights.

Pinning holes for ARB Intensity lights are included. Ensure that all driving lights installed (position and function), comply with your local regulations.

Hi-Lift Jack Points:

The Hi-Lift jack point is welded directly to the upright on either side.
Winch Model Fitment:

The following winches fit the Dmax ARB Commercial Winch bar:

- Warn M8000, XD9000, 9.5XP, 9.5XDC
- Warn ZEON 8, 8-S, 10 and 10-S
- Warn ZEON Platinum 10 and 10-S
- Warn Magnum 8,10 and 10-S
- Smittybilt Gen2 X20 10K
- Bushranger DV-9TH, DS-9.5TH and Seal 9.5TH

Additional winch fit kits are required:

- All winch fitments require part No 3540060 WINCH INSTALL KIT.
- Warn ZEON and ZEON Platinum fitment require Warn part No W89965 Short Wiring Kit.
- Warn ZEON Platinum fitment may require Warn part No W94288 Enhanced Signal Kit.
- Warn ZEON and ZEON Platinum require either part No 3500610 ZEON WIRE ROPE F/KIT or 3500620 ZEON SYNTHETIC ROPE F/KIT.
- Warn XDC requires part No 3500410 XDC CONTROL BOX BRACKET.
- Smittybilt Gen2 X20 requires part No 3500770 BRKT SOL PACK S/BILT GEN2 X20.
